Put Your Heads Together!

Achieve collective success through a journey of self-discovery

Breaking thought patterns is vital for companywide success. Negative thought patterns limit true potential. Learn to stay motivated, manage stress, and adapt to change in a more positive and successful way.

Outcomes: Team Collaboration, Resilience in Change

"After an evening of laughing to tears and near-constant smiling, you have to wonder if you'll wake up with sore cheekbone muscles!"

- Perry Spring, Quimper Storytelling Guild

"I can honestly say that your performance was one of the best I've seen in 30 years. Not only did I enjoy your program, but so did the entire audience."

- Tom Radke, Vineyard Elementary School

Known to instantly excite the room with her joyful aura, Anne-Louise captivates any audience with her thought-provoking and humorous style, whether a small group or an auditorium of thousands.

PARTIAL CLIENT LIST:

Be an Audacious Leader!

The secret sauce for managing stress while managing others

It is a proven fact that people make better decisions when they're happy and joyful. If managers take care of themselves and be intentional with their self-care, it will lead to better management and support for their teams.

Outcomes: Leading Confidently, Engagement, Culture

Choosing a New Story

Rewire your brain to embrace and unlock your potential

Individuals have more power to influence themselves and those around them than we think! It all falls back to self-talk and the stories we tell ourselves. Discover how to rewire the brain and make enduring, positive changes.

Outcomes: Dynamic Communication, Inspired Action

"Anne-Louise was a hit! We all had comments about changing your thought process. People thought it was fun with just the right amount of helpful tips that were also easy to use and practical."

- Gail Spolar, Director, Workforce Development and Truancy Programs
